1. Spouses of officials of the Secretariat and their children under age of 21, provided they came to Austria for the purpose of family reunion and forming part of the same household with the principal holder of the identity card issued according to Article 17, shall have preferential access to the labour market. For the purpose of access to the labour market, the definition "Official of the Secretariat" contained in Article 1 (d) takes account of the specific structure of the Secretariat. The above mentioned family members are hereinafter called beneficiaries.

2. Upon application, the above mentioned beneficiaries will be issued, by the Federal Ministry for European and International Affairs, a certificate confirming their preferential status under this Agreement. The issuing of such certificate shall not be conditional on a specific offer of employment. It shall be valid for the entire Austrian territory and its validity shall expire upon expiration of the identity card.

3. The prospective employer of the beneficiary will be granted an employment permit ("*Beschäftigungsbewilligung*") upon application, provided that the employment is not sought in a sector of the labour market or a region with grave employment problems, as determined by the Austrian Public Employment Service ("*Arbeitsmarktservice*"). The employment permit may be granted even if the legally fixed maximum number for employment of foreign labour ("*Bundeshöchstzahl*") has been exceeded.

4. The employment permit shall be issued by the regional office of the Austrian Public Employment Service ("*Arbeitsmarktservice*") competent for the area in which employment is taken up; in the case of employment which is not

confined to a specific location, the competence of the regional office shall be determined by the business seat of the employer.

5. Children who came to Austria before the age of 21 for the purpose of family reunion and who wish to take up employment after the completion of their 21st year of age shall be considered as beneficiaries if the principal holder of the identity card provided for their livelihood before they reached the age of 21 up to the moment in which they took up employment. For all other dependent relatives the normal regulations for access of foreigners to employment in Austria shall apply.

6. The above rules concerning employment shall not apply to self-employed activities. In such cases, the beneficiaries shall comply with the necessary legal requirements for the exercise of such business activities.
